

UNITED STATES ENVIRONMENT PROTECTION AGENCY ENGINE
DECLARATION FORM

Dear DachserUSA Importer,

Please complete the attached form. Information must be provided in each field. Any information or signatures left blank may result in a delay of shipment.

Read statements A through J and check the applicable description.

Read statements 1-25 and check the applicable description. If the statement requires an attachment, please be sure to include this in your packet back to our offices.

The person completing this form should complete the corresponding name, address and telephone of relevant parties information section, including his/her name and signature, date, and importer's name address, phone number and email address.

If you have any questions, please contact our Dachser offices.

Kind regards,

Dachser Transport of America, Inc. – Compliance Department
